Dear Sir/Madam:

It is my understanding Farm Sanctuary has filed a petition with the Food and Drug Administration and the United States Department of Agriculture to prevent the slaughter and use of downed animals for human food. The petition asserts that using downed animals in the human food supply is a violation of federal law.

Please, please act on **Docket No. 98P-0151/CP1** and stop the slaughter of downed animals for the human food supply.

Thank you for your consideration in this regard. If possible, I would appreciate receiving a response to this letter, letting me know what action you plan to take.

Respectfully,

ROSALIND BERNSTEIN
